

National Buffalo Foundation

Funding Application

for

Bison Heritage & Legacy and Education of the General Public Projects

The National Buffalo Foundation (NBF) is the primary source of funding for the Center of Excellence for Bison Studies (Bison COE). All bison research funding supported by the NBF occurs only through the Bison COE. Please visit their website for details on both potential funding opportunities and submitting, accepted on a specific date (varies annually) in October, a [Letter of Intent Instructions | South Dakota State University \(sdstate.edu\)](#)

Outside of the Bison COE, the NBF does consider supportive funding with projects focused solely on Bison Heritage and Legacy or Education of the General Public.

CONTACT INFORMATION

Name of Organization: _____

Contact Person: _____

Phone: _____ Email: _____

PROJECT

Name of Project: _____

Project focus:

What is the timeline for the project: Start date: _____

Completion date: _____

Provide a summary of your funding request:

Total project cost \$ _____

Amount requested from NBF \$ _____

Is the amount of the request all needed at once? Yes No

If not, identify options: _____

Summarize the potential impact/benefits of this project:

What are the goals and objectives of the project?

How do your project's goals and objectives fulfill the prioritized needs stated above?

BENEFICIAL PARTNERSHIPS

Partnerships (*Are you collaborating with any other organization(s)?*):

Funds from other sources? *What other funding sources will participate or are being sought?*
